In what way(s) did you interact with this teaching assistant (**Ebehireme lyoha**)?

What aspects of this teaching assistant's (Ebehireme lyoha) teaching were most helpful to you?

Comments

She is so good at Stata, I learned a lot from her.

Not giving answers, but trying to make students think creatively.

I didn't interact to much with her.

She helped me calm down when I was stressed about the projects by guiding on the next steps. She is very specific and concise in her suggestions.

She was really patient and helped us understand how to program in Stata.

How can this teaching assistant's (Ebehireme lyoha) teaching be improved?

Comments

Maybe she can offer some Stata session.

She is a great teaching assistant.

I wish I had more time to learn from her and I find her fantastic. I kind of want to be as talented as her, if not more. :)
